CONTACT: Rob Morosi, MDOT Office of Communications, 248-483-5127

MDOT to host public meeting regarding 2010 reconstruction of I-696/I-94 interchange

WHAT: Open house-style meeting to inform the public on the upcoming reconstruction of I-696/I-94 interchange in Macomb County. Attendees will be able to view project details and have their questions answered by Michigan Department of Transportation (MDOT) and consulting staff.

WHO: MDOT staff
Project consultant staff
Interested residents and business owners

WHEN: Tuesday, Nov. 24, 2009
4 - 7:30 p.m.

WHERE: Roseville City Hall
29777 Gratiot Ave.
Roseville

Special accommodations: 586-445-5410

BACKGROUND: MDOT will be reconstructing the interchange of I-94/I-696 near the Roseville/St. Clair Shores border. The work is scheduled to begin next summer and be completed in late 2010.

Included in this \$30 million project is the rehabilitation of the bridges located within the interchange, freeway lighting upgrades and landscaping. During construction, one lane will be maintained on the existing two-lane freeway-to-freeway ramps, while lane closures will occur on I-696 and I-94 at various times throughout the project.

###

MDOT: Working to improve our state roads and bridges.
